	<p>FYSPRT group reviewed: 1. Improve/expand outreach 2. Getting youth at table 3. Diversity of culture</p> <p>Discussion resulted in update of these priorities, changes as follows: 1. Improve/expand outreach by utilizing local resources (i.e. The Columbian and marketing items to hand out), 2. Getting youth and families to the table, 3. Diversity of culture</p> <p>Leeann raised concern around having an incentive for families to come and participate, they want to see change and it is hard to continue to participate when families can't see change. The flaws of the system have burned bridges with some families and building those relationships and trust can be a challenge. Leeann expressed frustration with the reactive nature of the system instead of a pro-active approach (i.e. settlement agreement had to happen in order for FYSPRT to be created)</p>	<p>Melissa will update SWOT Analysis to reflect these changes</p>	<p>Melissa</p>	<p>3/31/16</p>
