Housing

Transportation

Respite

Age appropriate in home services

Actively involves social workers

Executive leadership team meetings

Never been invited before

In January they had a meeting to discuss fvsprt challenges

In March they talked about success stories

The leader wants to hear from you/us

Success stories: daybreak (youth led recovery)

Ricky's Law and training as well as hope out loud

Julia shared about Daybreak

Elyana shared youth housing issues, community living, MH recovery, hands on support and community

Washington awarded billions (demonstration grant) housing grant (David)

Web/call/virtual attendance to state meeting?

#4 Wise Collaborative Review

Bimonthly meeting

Current state of affairs

Highlights: program statewide ongoing challenges of retaining work force/recruiting. Amount of coordination that is required for each family (family perspective vs. system perspective).

*Community member: I've never seen it even offered before

Wise @CCS: 6 clinicians, 1 peer, 1 family, 6 wrap coordinators

Children's admin: same problem

#5 Youth crisis system

Daniel shared report

Youth in crisis are handled mostly in one of 4 ways:

1. Hospital
2. Home (in care)
3. Primary care
4. []

Page 5 #2 Strategies

Collaborate with law enforcement (like name) ride along with law enforcement

Bicultural, multilingual

Text (kids)(parents)
Teen talk/youth house
Catch it early on (respond)
Medication management
Who do I have to call to get help?
Get to know the people you are talking to
Stay connected beyond first response, check in
Take parent seriously
Group response
Be able to walk/coffee to deescalate them
Big brother/sister like program (too much turn over)
Medical intervention
Peer support
What about age requirement/voluntary/involuntary

Questions:

Ask juvenile court how parents would want to be helped?
Built in crisis plans

Text shelter zip code to find available shelters

#6 Youth Voice-Youth Local FYSPRT

Local Youth FYSPRT: Travis with youth sound (or Lauren) will come down and start the process

3 Questions-video project

Actively working on purchase of video camera
