

YOUTH ADVOCACY AND EMPOWERMENT

Our mission is to empower the youth of Southwest Washington and to foster leaders in our community. Youth Advocacy and Empowerment (YAE) helps provide input to resources in the community in order to increase accessibility, retention and awareness. YAE is partnered with the Family, Youth, and Service Partner Round Table (FYSPRT) to create regional and statewide change to these systemic resources. YAE is looking for youth interested in leadership, personal development, advocacy and empowerment.
