## Family, Youth, System Partner Round Table

The Southwest Family, Youth, System Partner Round Table is a community-based group of youth, families, community members, and system partners that meet monthly to address challenges, barriers, and successes in the behavioral health system in Clark, Skamania, and Klickitat counties. Youth and family members have an equal voice at the table. Our regional FYSPRT has a direct line of communication to state leaders through statewide FYSPRT meetings. You have a voice, and we want to hear from you.

### Family Tri-Lead

### Youth Tri-Lead

### System Partner Tri-Lead
