The Southwest Washington Family Youth System Partner Round Table (FYSPRT) is a community-based group of youth, families, professionals, systems, and community members from Clark, Skamania, and Klickitat counties who are passionate about making needed changes in the System of Care (SOC) that serves those with behavioral health needs. The SW WA FYSPRT strengthens sustainable resources by providing community-based approaches to address the individual behavioral health needs of children, youth and families and ensures that family and youth are key collaborators and in positions of leadership. The SW WA FYSPRT leverages the experience and expertise of all participants dedicated to building effective behavioral health services and will report up to the Statewide FYSPRT on challenges and successes of the region.

SW FYSPRT members will:

1. Infuse SOC values in all child-serving systems
2. Expand and sustain effective leadership roles for families, youth, and system partners

3. Improve/expand outreach by utilizing local resources
4. Ensure that youth and families are represented and have a voice at the FYSPRT
5. Create culturally diverse membership
6. Help address stigma around behavioral health for the community
7. Review Wraparound with Intensive Services (WISe) Data Reports quarterly
