FYSPRT is a …	Space for youth and families to share their experiences with the System of Care and for System Partners to hear from the community. The Southwest Washington Family Youth System Partner Round Table (FYSPRT) is a community-based group of youth, families, professionals, systems, and community members from Clark, Skamania, and Klickitat counties who are passionate about making needed changes in the System of Care (SOC) that serves those with behavioral health needs. The SW WA FYSPRT strengthens sustainable resources by providing community-

	based approaches to address the individual behavioral health needs of children, youth and families and ensures that family and youth are key collaborators and in positions of leadership. The SW WA FYSPRT leverages the experience and expertise of all participants dedicated to building effective behavioral health services and will report up to the Statewide FYSPRT on challenges and successes of the region.
